UNO® COMEBACK PACK IN A NUTSHELL

Falling behind? Each card gives you a chance to work your way back into the game. Swap hands, discard extra cards or even make other players draw more cards and soon you'll go from "Underdog" to "Top Dog".

COMEBACK PACK CARDS

WILD SWAP HANDS
Swap hands with any player. You also get to choose the color that continues play.

WILD DOUBLE DOWN
Discard this card and an additional card on top of it. You also get to choose the color that continues play.

WILD MATCH THE MAX
Choose a player. That player must draw cards until their hand contains the same number of cards as the player with the largest hand. You also get to choose the color that continues play.

WILD MISERY LOVES COMPANY
All other players must draw cards until their hand contains the same number of cards as the player with the largest hand. You also get to choose the color that continues play.

U-N-O RULE
You will notice that the cards have letters in the corner, ether an "U", "N", or "O". If you have three cards in your hand that can spell out U-N-O, you may discard down to one card on your turn for an INSTANT UNO! Put all the cards under the 3 U-N-O cards on the Discard Pile and then select the next color in play. When you discard the U-N-O cards together, none of their actions are activated. And don't forget to yell "UNO!"
