UNO® FRENEMIES PACK IN A NUTSHELL

You're not here to make friends when you play these cards. You can force players to draw extra cards, drain wilds from your rivals, or just plain wreak havoc. Whether you're singling someone out or spreading the pain, one thing's for sure: with this pack in the mix, nobody's safe.

FRENEMIES PACK CARDS

WILD NEMESIS
Choose another player to be your "enemy," and anytime you play a card that makes them draw cards, they must draw 2 extra cards! This continues until you decide to end the beef! You also get to choose the color that continues play.

WILD PETTY PLAY
Choose another player to draw 3 cards. Also, if another player makes you draw cards for any reason, you may play this card out of turn and make them draw 3 cards.

WILD ELIMINATOR
All other players must discard all Wild Cards from their hand. Place all discarded Wild Cards on the bottom of the Discard pile. You also get to choose the color that continues play.

WILD INSTIGATOR
Choose as many players as you want and make them draw cards. You also decide on how many cards each one will draw from 1-4. You also get to choose the color that continues play.
